WHY WE SAY by STAN J. COLLINS & L. J. RAWSON

"GILT EDGED"

Today "gilt edged" is a term describing stocks or bonds which involve little risk. Originally, it referred to expensive letter paper with gilt edging, used by the wealthy.

How women and girls may get wanted relief from functional periodic pain

Cardui is a liquid medicine which many women say has brought relief from the cramp-like agony and nervous strain of functional periodic distress. Here's how it may help:

1 Taken like a tonic, it should stimulate appetite, aid digestion, thus help build resistance for the "time" to come.

2 Started 3 days before, it should help relieve pain due to purely functional periodic causes.

Try Cardui. If it helps, you'll be glad you did.

WISHES A MERRY YULETIDE TO ALL

Of Course you believe in Santy!...

But even if you don't right now, the chances are ten to one that at one time in your career — the short pants or long curls stage — there was no doubt in your mind that there was a Santa Claus. You not only believed in him but you were in awe of him!

Santa Claus was a short roly-poly gentleman habitually clad in red with flowing white beard. He drove through the world Christmas Eve in a heavily-laden sleigh drawn by eight dashing reindeer.

It's a beautiful old myth — as much a part of the joyous Christmas season as is our annual wish for a Merry Yuletide for you and yours!
